Honorary life members (whose current dues are paid) and regular members in good standing, including the delegate from each specialty club, may vote when present at the annual meeting, at a special meeting of the Club, and by written ballot cast by mail in the annual election of the Directors and adoption of amendments to the Bylaws, or the standard of the breed. There shall be no voting by proxy. The Board of Directors may decide to submit other specific questions for a vote of the members by written ballot cast by mail.

If a nominee, at the time of the meeting, is unable to serve for any reason, such nominee shall notify the Recording Secretary in writing and this position shall be filled by the nominee having the next largest number of votes. If no additional nominees were proposed by petition as provided in this Article, the vacancy so created shall be filled by the new Board of Directors in the manner provided by Article III, *Section 4*.

SECTION 4. Nominations. No person may be a candidate in a Club election who has not been nominated in accordance with these Bylaws. (b) Committee Report.* The committee shall then submit its slate of candidates to the Recording Secretary who shall mail the list, including the full name of each candidate and the name of the state in which the candidate resides, to each member of the Club on or before September 1, so that additional nominations may be made by the members if they so desire.

SECTION 5. The Ballot. If one or more valid additional nominations are received by the Recording Secretary on or before November 15, the Secretary shall, by December 1, mail to each regular member in good standing a ballot listing all the nominees for the same position in alphabetical order and stating the geographical location of the nominee's residence. This ballot shall be mailed with an envelope marked Ballot and a return envelope addressed to the designated teller of election selected by the Board of Directors and bearing the return address of the member to whom the ballot was sent. So that ballots may remain secret, each voter, after marking his or her ballot, shall seal it in the Ballot envelope, which in turn shall be placed in the envelope addressed to the designated teller of election. Ballots to be counted must arrive at the tellers of election by the 15th of January of that year. The teller of election shall check the return address on the envelopes against the Recording Secretary's official list of members in good standing and whose dues are paid to determine whether or not the ballot shall be counted. Upon completion of the count, the teller shall render a written report to the Recording Secretary, shall destroy the envelopes received, and turn over to the Recording Secretary, the marked ballots. The report shall give the number of members voting and the number of votes cast for each candidate. This report must be made by January 30 and announced to the membership by the Recording Secretary.

SECTION 1. Each year the Board may appoint standing committees to advance the work of the Club. Each committee will serve for the current year. Such committees shall always be subject to the final authority of the Board. Special committees may also be appointed by the Board to aid it on particular projects. Committee appointees shall be notified by the Recording Secretary of the appointment or reappointment.

SECTION 2. Any appointment may be terminated by a majority vote of the whole Board on written notice to the appointee, and the Board may appoint successors to those persons **whose** service has been terminated.

ARTICLE VI: DISCIPLINE

SECTION 1. American Kennel Club Suspension. Any member who is suspended from the privileges of the American Kennel Club automatically shall be suspended from the privileges of this Club for a like period, after which the individual may apply to the Board of Directors for reinstatement in The Keeshond Club of America, Inc.

SECTION 2. Charges. Any member may prefer charges against a member for alleged misconduct prejudicial to the best interests of the Club or the breed as provided in these Bylaws. Written charges with specifications must be filed in duplicate with the Corresponding Secretary together with a deposit of \$25.00, which shall be forfeited if such charges are sustained by the Board, or an appointed committee within the Board, following the hearing. The Corresponding Secretary shall promptly send a copy of the charges to each member of the Board or present them at a Board meeting, and the Board shall first consider whether the actions alleged in the charges, if proven, might constitute conduct prejudicial to the best interests of the Club or the breed as specified above. If a majority of the whole Board considers that the charges do not allege conduct that would be prejudicial to the best interests of the Club or the Breed, it shall refuse to entertain jurisdiction. If the Board entertains jurisdiction of the charges, it shall fix a time for a hearing by the Board, or a committee of no fewer than three Board members, at the time of the next scheduled Board meeting. The Corresponding Secretary shall promptly send one copy of the charges to the accused member by registered mail together with a notice of the hearing and an assurance that the defendant may personally appear in his/her own defense and bring witnesses if he or she wishes. The Corresponding Secretary shall also send by registered mail a notice of the hearing to the complainant and an assurance that the complainant may personally appear and bring witnesses if he or she so wishes.

SECTION 3. Board Hearing. The Board or committee shall have complete authority to decide whether counsel may attend the hearing, but both complainant and defendant shall be treated uniformly in that regard. Should the charges be sustained after hearing all the evidence and testimony presented by the complainant and defendant, the Board or committee may by a majority vote of those present reprimand the defendant or suspend the defendant from all privileges of the Club for not more than six months from the date of the Hearing, or until the next annual meeting if it will occur six months after the Hearing. If the Board or committee deems a suspension an insufficient reprimand, it may also recommend to the membership at the next general meeting that the penalty be expulsion. Immediately after the Board or committee has reached a decision, its findings shall be filed in writing with the Corresponding Secretary. The Corresponding Secretary, in turn, shall notify each of the parties of the decision and penalty, if any.

SECTION 4. Expulsion. Expulsion of a member from the Club may be accomplished only at the annual meeting of the Club following a hearing and upon the recommendation of the Board or committee as provided in *Section 3* of this Article. The defendant shall have the privilege of appearing in his/her own behalf though no evidence shall be taken at this meeting. The President shall read the charges and the Board's or committee's findings and recommendations, and shall invite the defendant, if present, to speak on his/her own behalf. The members in good standing, present at the meeting shall then vote by secret written ballot on the proposed expulsion. A two-thirds affirmative vote of those voting shall be necessary for expulsion. If expulsion is not so voted, the suspension shall stand.

ARTICLE VII: AMENDMENTS

SECTION 1. Amendments to these Bylaws or to the Standard of the Breed may be proposed by the Board of Directors or by written petition addressed to the Recording Secretary signed by one-fifth of the regular members in good standing. Board consideration of any such amendment(s), whether initiated by the Board action or members' petition, must be brought to the attention of all Club

members in the official Club publication or by special notice from the Recording Secretary within sixty days after the initial Board action or the receipt of the petition by the Recording Secretary. Amendments proposed by the petition shall be promptly considered by the Board of Directors and must be submitted to the members by the Recording Secretary, together with the recommendations of the Board, for a vote within six months of the date on which members were notified of the Board's receipt of petition.

SECTION 2. A copy of proposed amendment(s) to the Bylaws or the Standard of the Breed must be mailed by the Recording Secretary to each regular member accompanied by a ballot on which the member may indicate his or her choice for or against the action to be taken. The notice shall specify a date not less than 30 days after the date of mailing by which date the ballots must be received by the Recording Secretary to be counted. The favorable vote of two-thirds of the members in good standing whose ballots are returned within the time limit shall be required to effect any such amendment. No amendment of the Bylaws or the Standard of the Breed that is adopted by the Club shall become effective until it has been approved by the Board of Directors of The American Kennel Club.

ARTICLE VIII: DISSOLUTION

SECTION 1. The Club may be dissolved at any time by the written consent of not less than two-thirds of the members. In the event of dissolution of the Club, other than for purposes of reorganization, whether voluntary or involuntary or by operation of law, none of the property of the Club or any proceeds thereof, nor any assets of the Club shall be distributed to any members of the Club.
